The Cappza's Story

I come from a long tradition of pizza making. I grew up in the family business, Al's Pizza, a Skowhegan landmark of 55 years and counting. I learned early how to make pizzas and sandwiches the right way - freshly assembled with quality ingredients.

Now years later, that's what you'll get from Cappza's as well.

Today I say with pride that no other pizza or sandwich has more flavor than Cappza's. Our meats and cheeses are real and fresh. Our veggies are cut fresh daily. There are no soy fillers, no processing, and no nitrogen freeze packing. We make our own dough and breads, from scratch and not packed with preservatives. This all leads to a tastier, healthier, more satisfying product. That's how my family started in the pizza business over 50 years ago- and I wouldn't dare serve my customers anything different here at Cappza's.

Thanks for trusting Cappza's to feed you and your family!
